THE COVENANT OF LONG LIFE IS REAL!

'I joined this Church over 20 years ago and since I joined this Church, I have enjoyed peace and rest of mind and God has blessed me in everything. The God of Bishop David Oyedepo is a great God, He has blessed me with good health and long life. Two year ago, the enemy struck at my health and I came to see the Bishop, He simply rebuked the spirit of fear and declared that I will fulfil my days, true to the words of the prophet, I was made whole and today , I am 102 years old. I walk without any aids; I can see clearly without glasses and in perfect health. The God of this Commission has also kept my children alive and well. I return all the glory to God!' — *Hannah O.*
