

Therefore, February 6 to April 30, is hereby declared our 2023 Prophetic Weeks of Harvest in all our Churches worldwide and we expect to see every assembly in this Church experience minimum Four times of her present size on or before April 30, 2023, in the name of our Lord Jesus Christ. Amen.

But it is not enough to believe, we must prove that we believe by doing what He commands to do, because faith without works is dead — *Jam. 2:18-20*

What then are we to do to secure full delivery of our portion as individuals?

Anyone that truly desires to see 12 souls delivered into the kingdom with minimum 4 of them established in this Church, should enter into a love motivated covenant with God for speedy delivery and expect to experience the hand of God to make it happen — *1 Kgs 18:41-46*

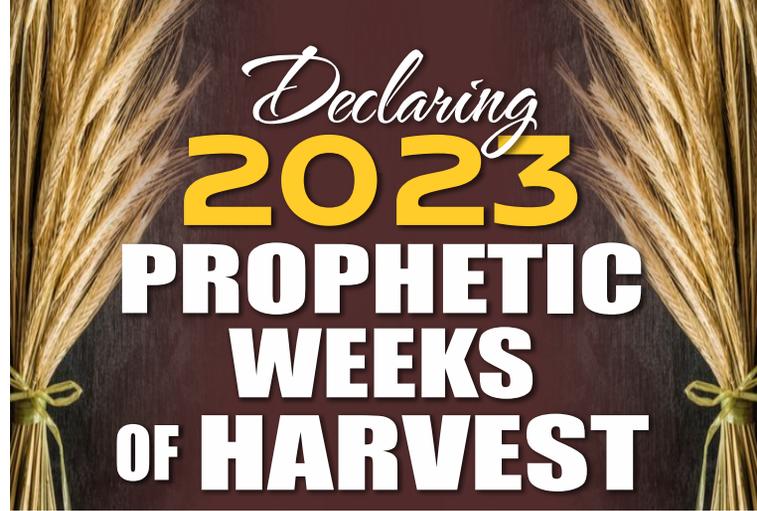

God has ordained that everyone that keeps to the terms of this covenant and deliver same by faith shall be launched into the realms of what eyes have not seen, nor ears heard, that is, emerging as a pathfinder, pacesetter and trailblazer — *1 Cor. 2:9*

Furthermore, as our prophetic Isaac order of year, every love motivated investment towards actualizing the delivery of each one's portion shall turn such individuals into the envy of his/her world, which implies eradication of every trace of shame and reproach in their lives — *Gen. 26:12-30 / Gal. 4:28*

May each one of us in the Winners' family receive grace to maximize this highly prophetic season, in the name of Jesus Christ.

Jesus is Lord!

*"...He (God) reserved unto us the appointed weeks of the harvest"*  
— *Jer. 5:24. (KJV)*

**W**e serve the Lord of times and seasons, who makes all things beautiful in His time — *Ecc. 3:1-2/11*

Prophets are God's ordained timekeepers of the Church, with access to things that God wants done per time — *Gen.18:17-18/Gen.20:7 /Amos. 3:7*

While beholding the face of God in this ongoing Prayer and fasting, God revealed to me, His appointed weeks of harvest for the Church this year – "saying the first 12 weeks of the year after the ongoing prayer and fasting shall be your appointed weeks of harvest as a church".

Remember, the Holy Ghost has repeatedly spoken concerning this year, that it shall be our Isaac order of year, where we shall sow in the land and reap in the same year, a hundred-fold, turning us to the envy of our world — *Gen. 26:12-14/ Gal. 4:28*

Interestingly, we saw how the Ark of God was kept in the house of Obededom for 3 months and how God supernaturally changed his story with breaking news order of blessings — *2 Sam. 6:11-12*

Playing host to the Ark of God, can be likened to engaging with the move of God, which implies dedication to kingdom advancement endeavours, making a sacrifice of time, energy and resources in serving the Lord for 3 months like Obededom did, will result in supernaturally change of story for everyone that will engage in like manner.

We also understand from scriptures that the testimonies of others are pointers to our heritage in the Kingdom — *Psa. 119:111*

Just like there are no private revelations, there are also no private testimonies, as we saw in the woman with the issue of blood, where her testimony was replicated by several others who believed — *Mak13:37/Mat.9:20-22/ Mat.14:34-36*

This is why every testimony is prophetic in nature, with in-built power to replicate itself in the lives of anyone that believes — *Rev. 19:10*

In addition, over the year, we have had series of testimonies from 3 months of selfless engagement with Kingdom advancement endeavours.

**For example:**

- ✓ One Olasite, A. I., who had been waiting on God for fruit of the womb for over 4 years heard it said in Church, “Engage in this prophetic season with your heart for your fruitfulness is tied to this operation” so she made up her mind to engage productively in soul winning. She began on the 1st of March, hunting for souls daily and between March and May which is just 3 months, she has reached out to over 200 souls and some of them are already established in the church. Six of her converts have attended WOFBI. Then God showed up! That same month of May she became pregnant and brought forth her baby 9 months after to the glory of God!
- ✓ One new member, by name James Mafolasere, who had lost his job for close to

2 years came to Church and heard the word to remain and engage for 3 months and that God will change his story. He engaged in kingdom advancement endeavours with his heart and won 34 souls for Christ and 17 of them are in Church. Within two weeks of his engagement, his lost job was restored, was promoted and sent to represent the company abroad. In addition, God supernaturally healed his son of asthma.

- ✓ Another humbling testimony is that of Prince Daniel, He engaged intensely in kingdom advancement endeavour, praying kingdom advancement prayers and winning souls, in the space of 3 months, he won 192 souls for Christ. Just 4 days later he started experiencing unprecedented open doors both from home and abroad, also huge debts being owed his company were supernaturally paid to the glory of God.

**The good news is that these prophetic weeks of harvest offers open-ended platforms for all interested members. These includes:**
