

- Furthermore, every householder shall be required to invite neighbours, relations, and close friends as Cornelius did, and God shall pour His blessings upon everyone present — *Act. 10:24/34/44*
- To this end, as God opens the door of salvation to those in attendance, we shall be required to plant a new cell there immediately, that is, with such new converts and those who desire to identify with this Church.

By the grace of God, this shall result in massive cell growth and replication that will empower every cell to give birth to at least one new cell before the ongoing Prophetic weeks of harvest is over, by the help from above.

May every Cell leader, assistant and secretary be endued with fresh passion in pursuit of this prophetic agenda for speedy delivery to the glory of God and in the name of Jesus Christ.

Operation Ark ON THE MOVE 2023

We will recall that the Holy Ghost flagged off Operation Ark on the Move in 2021, which resulted in amazing cell growth and replication across our Churches worldwide and to God be all the glory.

The ark of God is on the move again!

According to scriptures, every ministry or church has some specific grace bestowed upon her by God.

- ✓ We saw the grace of financial fortune upon the Church of Macedonia — *2 Cor. 8:1-5/7*
- ✓ We also saw the grace of triumph over persecution on the Churches of Judea — *2 Thess. 2:14*
- ✓ In addition, we saw the picture of the 7 churches of Asia, which represents

the 7 main characteristics of the end-time church as narrated in the book of Revelation chapters 2 & 3

In the same vein, we have seen the manifestation of the grace of God upon this commission with undeniable proofs, both in this Church and in the lives of all partakers of such manifold grace

This manifold grace among others include:

- ✓ **Passion for God and the interest of His kingdom**
- ✓ **Healing, health and wholeness**
- ✓ **Supernatural breakthroughs**
- ✓ **Financial fortune**
- ✓ **Marital breakthrough & settlement**
- ✓ **Supernatural favour**
- ✓ **Supernatural protection and exemption ...etc.**

The Holy Spirit is asking that we go forth to deposit this manifold grace upon every member and their household, as many that desire to host the ark of God in their houses, that is, a WSF location.

Every House provider shall be playing host to the ark of God as Obededom did, shall experience the same kind of breaking news order of blessings this year — 2 Sam. 6:11-12

Operation Ark on the move is a prophetic agenda ordained both to replicate the goodness of God upon this commission in the lives of members and for cell growth and replication.

I see everyone that cares to open the doors of his or her house to this ark of God experience the undeniable goodness of God upon their lives and all that pertain to them, in the name of Jesus Christ — Psa. 23:1-6/ Psa. 65:4

The approach to executing this prophetic agenda is as follows:

- **Every WSF minister shall be required to identify members of their cell, who desire to host a WSF location in their house. However, such houses must be either owned, leased or rented, but definitely not where anyone may be squatting.**
- **A team of 2 or 3 members, including the cell minister (except where he or she is unavoidably absence) shall be assigned to go and deposit the blessings of God upon this commission over such individuals and their household.**
- ✓ **Prophetic declaration from the Apostle over this commission to this effect, shall be forwarded to every WSF minister.**
