

**APRIL 2021**

# **Financial Fortune IS MY HERITAGE**

**– Deut. 8:18**

**T**urnaround Greetings to every Winner worldwide in the name of Jesus Christ. Amen.

I believe every Winner must have received fresh baptism of the spirit of wisdom all through the month of March. May everyone's encounter, continue to generate undeniable proofs in our lives henceforth, in the name of Jesus Christ. Amen.

But what is the Holy Ghost saying for the month of April 2021?

Back on the 26th August, 1987, while away on a mission trip to the United States, the Holy Ghost delivered another clear mandate to me saying, 'Get back home and make my people rich'. This command was so strong and compelling that I had to abandon all my scheduled meetings and rushed back to Nigeria.

Meanwhile, I began to question, why me? and what do I have to make anyone rich? Then the Holy Ghost opened me up to a scripture that answered my question. "...as poor, yet making many rich; as having nothing and yet possessing all things." – 2 Cor. 6:10

Therefore, the subject of financial prosperity is not just a doctrine in this Commission, but a divine Mandate. No doubt, ever since this Mandate was delivered, thousands around the world, have been brought into realms of financial fortune, the

dimension of which could only have been God and to God be all the glory!

Today, the world is facing the worst global economic challenges in history, but the good news is that, God has a plan in place to exempt His people. For example, Israel dwelt in Goshen in the land of Egypt in the days of famine, but according to scriptures they, "had possessions therein and grew and multiplied exceedingly." – Gen. 47:27. They were divinely exempted from the economic holocaust of their days.

This goes to establish the fact that, covenant people are indeed peculiar and that as long as we are committed to the covenant of seed time and harvest, we will be exempted from the economic heat of our time – 1 Pet. 2:9/ Deut. 8:18

God is all out to empower His people for supernatural wealth in these last days, so they can become channels for the release of His silver and gold, ordained for building the latter house – Hag. 2:3-9/ Mat. 24:14/ Zech. 1:17

This is why, our understanding of God's purpose for financial fortune in the kingdom, is vital to determining our level of access to this realm of supernatural prosperity in these last days – 1 Sam 13:14/ 1 Kgs 8:17/ 1 Chr. 29:3-12

In the light of the above, all through this month of April, we shall be examining gateways to financial fortune.

Therefore, the prophetic focus for the month of April 2021 is:
