# Victory Testimonies

## **13 Years of Storm Over!**

**"I got married in 2001 and while expecting our children, my wife died, and life became unbearable as I lost everything. Then, I heard in my spirit, 'You need to go to a place where the cloud of glory is very thick, and the enemy cannot penetrate it.' I asked God where that place was and He said, 'The city of David-Canaanland'.**

**When I came here, my spirit jumped as the Bishop preached. The Holy Spirit opened me up to the teachings and from that day, by engaging every teaching from this altar my destiny opened up, everything hindered me from entering into my dignity destroyed and my marital dignity restored. God gave me double honour-beautiful wife and a top executive job in a bank. I give God all the glory!" — Michael O.**

## **Supernatural Deliverance and Fruitfulness.**

**I travelled to my village, immediately I entered my father's compound, I was attacked, my legs were swollen and gushing out water with an offensive odour, my stomach became swollen, I became paralyzed with stroke and partially blind. We went everywhere for solution to no avail. I was invited to this church, and I started engaging in everything taught here, including soul winning, then God showed up, by encounter with the power of God, I excreted a mango seedling. Immediately, I became very strong, every symptom of the sickness disappeared. As if that was not enough, today, after 11 years of waiting, the God of David Oyedepo broke the siege of bareness in my life, God gave us a baby boy. I give God all the glory!**
