Breakthrough Testimonies

Generational Curse Broken via Encounter!

'After my elder brother dropped out of the University where he was studying law, I also did in 2008. That same year, I came across a book, titled: *Breaking the Curses of Life*, authored by Bishop David Oyedepo. The anointing was so overwhelming that the Spirit of God opened my eyes to see the type of curse troubling my family and my destiny. Meanwhile, in my family, no one had a Diploma or University degree. No one ever owned a car or built a house and no marriage ever last long. However, God delivered me from that generational curse. I went back to the same University and graduated without any struggle. I wrote my board exam and got admitted as a barrister in 2012. Now, I have my law firm, I own six cars and two houses. I return all the glory to God!' —*Barrister Glen Mabasa*

37 Years Marital Spell Destroyed!

'For thirty-seven years, I had not witnessed our girls getting married and those that got married ended up being widows. I asked my father what the problem was and he said that at a time, there was scarcity of women in the family; a native doctor was invited and that was the outcome. I came to this Church for this purpose, then I told myself I would not be affected because I am a Winner and a child of God. In one of the services, Bishop David Oyedepo said, "When a thief is caught, he returns what he has stolen." I keyed into this word and decided that the devil's oppression must stop. Lo and behold, this year, more than eleven ladies in my family got married. Also, those that were divorced are now reconciled with their husbands. I return all the glory to God!' —*Deaconess Moses Nwaise*
