Supernatural Breakthrough Testimonies

Diverse Business Breakthroughs!

"I had been believing God for a business breakthrough, but nothing was happening for me.

I came for Business Breakthrough Banquet and after the Bishop declared our point of contacts blessed for business breakthroughs. After that service, I experienced sudden favour on a contract that I have been handling. I got a contract of over N50 million last week!

I have enjoyed various breakthroughs in different areas. Anytime I step into a company, what seems not to move begins to move and I am celebrated. I give God all the glory in Jesus' name!"
– Solomon, O.

God of This Commission Surprised Me

I was privileged to have a great encounter with Bishop Oyedepo in one of his outreaches. He invited me to Church and I came. I enrolled for WOFBI February 2018 edition. Meanwhile, I am a contractor and for long I have not gotten any contract. As I was going home on the last day of the programme, a call came into my phone to come for a contract worth millions of naira. This is a big amazement to me. God's presence is not only in this Commission, but He is also the owner of the Commission. If this Church were to be in Ibadan or Kogi, I will drive there for any service. I am now totally committed to this blessed Commission. – Kola Ventura
