Supernatural Turnaround Testimonies

Battered Life Restored!

"I return to this Church battered and beaten, with one shoe with big hole underneath, and a debt of N10 million. Then, the Lord spoke to me, 'Everything My servant tells you, stay into it or else you will keep working in error for the rest of your life.'

Then I finally settled here, obeying every instruction, within a short time, the Lord gave me a new direction into my business that changed everything about my business and brought it to limelight without any human connection. Meanwhile, in the previous year, I didn't have a place to stay, and nowhere to sleep. But by the bishop declared, 'You will become a global phenomenon.' That same year, my company brought 35 nations of Africa to Nigeria. I have by the grace of God met with Governors and Presidents of many nations.

Today, me that was jobless, rejected by my family, has become a global phenomenon, confirmed by the word of God's servant. The whole of Africa is looking for me! I have staff in 35 African

nations, all answering to me. I thank You Jesus!" — *Taylor, N.*

Supernatural Exemption!

"During one of Shiloh 2016 Encounter Services, Bishop David Oyedepo declared that nothing dies around us and in our hands and I keyed into it. Meanwhile, I got a contract worth millions of naira. The goods were purchased and packed in my shop to be supplied in the course of the week. On Monday, around 6am, we were about moving to the site, but there was a divine delay. I didn't know that a diesel tanker fell on the express way, caught fire and all the shops on the road containing goods worth millions of naira got burnt. I want to thank God that my shop and goods were exempted. Surprisingly, the fire jumped my shop and started from the 5th shop. I was accused of protecting my shop with diabolical powers they didn't know that I just came back from Shiloh. Indeed, my case is really different. I give all the glory to God!" God's — *Love Justman*
