Divine favour Testimonies

God Restored Me after Joining This Commission

I have come to return all the glory the God of this Commission for His fearful favours upon my life. I gave my life to Christ and joined this church empty, naked and totally directionless and extremely broke. I plugged in fully into all the instructions of this altar. From a mere house agent that hardly gets deals or what to feed on, God has turned me to a developer. I have 3 houses of my own that I am building, 2 cars of my own, fearful financial favours from people I barely know. In fact, I cannot tell it all! He has done for me exactly what the Bishop said the very day I joined this church. "What labour of 50yrs cannot give you, favour will give you and you will experience it here. This year for me is like 50years packed together. Thank you Father for taking away my shame and reproach!!

God of this Commission is Faithful

In one of the services, God's servant prophesied that my slavery and servitude was over. Again, he said God by divine favour is taking those without even a local identity and turning them into Global Super Stars and Power Players. I keyed into this. Today, I am here to give God the glory for His Faithfulness in confirming His Word in my life through His servant. I have, without writing any job application, been appointed the Managing Director of an International Publicly listed company at the age of 34. Not only is my remuneration more than 1,000% increase from my previous company, but I am also a shareholder in this new organization. I have come to return all the glory, honor and power to The Lord Jesus Almighty. Truly, what eyes have not seen, nor ears heard, have become the order of the day in my life. — *Akintunde Jeje*
