Divine Turnaround Testimonies

Healed of Spinal Cord Injury via Prophetic Instruction!

'For over twenty-nine years, I had spinal cord injury and had been to various hospitals for treatment but all to no avail. It was because of this problem I joined this Commission. In one of the services, while Bishop David Oyedepo ministered, he asked us to touch the area we were afflicted. I touched my spinal cord and instantly, I received my healed. Now, I can walk, run and move about. I thank the God of Bishop David Oyedepo!'

HIV Positive Turned Negative via the Anointing Oil!

'Some years ago, I tested positive for HIV and life became unbearable for me. However, somebody gave me a flier and on it was a phone number. I called it and asked if Jesus could heal HIV? The person said, "Yes, Jesus can heal all manner of sicknesses and diseases, including HIV." Then he invited me

to church and I came. The service was an Anointing Service and while Bishop David Oyedepo blessed the Anointing Oil, he declared that as we partook of it, every disease would be destroyed. I took a shot of it and believed in the declaration. Thereafter, I went for another test and the result revealed that I am HIV negative. HIV has been destroyed from my system. I give all the glory to God!' — Precious Nuka

Healed of Corona virus via the Anointing Oil!

'Some months ago, I contracted coronavirus and the pain I had in my throat was so severe. However, I connected online for the Anointing Service in Canaanland. After the Anointing Oil was blessed, Bishop David Oyedepo instructed us to take a shot and I did. Thereafter, the pains disappeared. I went back for another test and it came back negative. Now, I am free from the virus. I give God all the glory!' — Chigozie Orunta
