

NEW PHASE OF WSF (Part 4)

(For WSF Ministers)

Making the WSF More Membership Friendly

....Gal. 6:2/Eph. 6:18...

- We must focus on extensive prayers for members by engaging prayer lines such as:
 - ✓ Turn everyone in this cell to a sign and wonder.
 - ✓ Watch over every member against satanic assaults.
 - ✓ Let everyone being challenged here have their needs met.
 - ✓ Meet everyone at the point of their needs in the next service.
- Every new member that joins should have prayers prayed over them such as:
 - ✓ Asking God to show up in their affairs,
 - ✓ Bless their families, businesses, children.
 - ✓ Asking divine covering over them against all satanic assaults
 - ✓ Granting them a miracle welcome pack for joining this signs and wonders family etc etc.
- Remember, if two agree on anything touching, it shall be done for them – **Mat. 18:19.**
- Finally, our engagement in soul winning guarantees answers to our prayers, therefore any prayer prayed on our new converts and first timer shall be answered with speed – **Jhn. 15:16.**

Jesus is Lord!
