

NEW PHASE OF WSF (Part 3)

(For WSF Ministers)

Operation Get the Ark On The Move

Every location provider is playing host to this Ark of revival as Obededom did – **2 Sam. 6:11-12**

But by the signal of the Holy Ghost, we shall get the Ark on the move from one member's house to another as a means of depositing the blessings upon this Commission into every member's house, while using the same platform as a means of reaching their invitees for this specialized visitation of proclaiming blessings.

This specialized programme, tagged '**Operation Get The Ark On The Move**' shall be outside our regular Saturday evening WSF meetings. It shall hold on Saturday morning for maximum 40 minutes

Delegates of **maximum 3** from a cell will be on a scheduled visit to members' homes, who will be required to invite their neighbours, relations or friends for a word of blessings from the Apostle over this Commission.

It shall be a session of proclaiming the blessings of God upon the members of such household and their invitees as Cornelius did – **Act. 10:24-44**

We shall be taking the goodness of God upon this Commission to members houses and at the same time, reaching their friends and neighbours with the good news.

As we all know, every temple of God has its unique reserved blessings – **Psa. 65:4**

Such blessings are indestructible as long as such Commission maintains her walk with God as ours has done over the past 40 year by His grace – **Isa. 65:8-9/ Ecc. 3:14**

This is an inspired strategy of the Holy Ghost aimed at achieving continuous cell growth and replication.

This is how it works:

1. Every cell minister is to identify members that have their own apartments, whether owned or rented but definitely not squatting
2. A maximum of 3 members from the cell shall be assigned to go and proclaim the blessings upon this Commission over that house and all that would be gathered
3. Every householder shall be required to invite relations, neighbours and close friends so as to partake of such blessings after the order of Cornelius – **Act. 10:24/34/44.**
4. The leader of the team should start by saying:
 - “Our father in the Lord, the Apostle over this Commission, Bishop David Oyedepo has sent us to proclaim these blessings upon this household and all that are present here today.
 - *(Then he will turn to the invitees, saying,)* “If you will let God have His way by giving your life to Christ for those of us who

are yet to be saved, every blessing proclaimed on everyone present here today shall come to pass speedily.

- We are here today to partake of the blessings of God upon this Church, a number of which has become our global identity.
- We have seen over the past 40 years that Winners' family worldwide is a family where the following are the order of the day by the grace of election:
 - ✓ Signs and wonders.
 - ✓ Breakthrough.
 - ✓ Health and wholeness.
 - ✓ Peace and serenity.
 - ✓ Financial prosperity.
 - ✓ Joy and rejoicing.
 - ✓ Exemption from all evils.
 - ✓ Triumph over all works of the devil.
 - ✓ A good old age.

...and many more...
- But before proclaiming these blessings, is there anyone here that will want to surrender his/her life to Jesus. Salvation is the free gift of God for mankind, we don't pay anything for it, all we need is to repent of our sins, receive Jesus as our Lord and saviour and then we are translated from the kingdom of darkness into the kingdom of light. And that makes that such individual a child of light and the powers of darkness cannot torture him anymore – ***Eph. 6:12/ 1 Thes. 5:5***

Salvation is the only way of escape from the tortures and the torments of the powers of darkness – **Heb. 2:3**

(Then pulse for a moment for response after which you lead such individuals to Christ with the prayer of salvation, asking them to repeat after you, saying,)

- (“Lord Jesus, save my soul, I repent of all my sins today, and I ask for your forgiveness. I believe you die for me and on the third day you rose again for my justification. I therefore proclaim you as my Lord and Saviour from this day onwards. Thank you for saving my soul. Thank you for giving me eternal life. I will serve you all the days of my life, amen.)
- Now, begin to proclaim the documented prophetic blessings over that household and all the invitees. Demand that they say amen, with faith in every proclaimed blessings and they shall be turned into testimonies in their lives. (Prophetic blessings shall be sent across to all cell members)

Note.

1. Wherever God gives us a good harvest, we should plant a new cell there immediately, that is, whenever we have between 3 and 5 converts or those who desire to identify with us, a new cell can commence there.
2. This meeting shall be for maximum 40 minute. The schedule would also be sent across.

By the signal of the Holy Ghost, the entire city or township where we are located shall be filled with the Liberation doctrine as He did in Jerusalem

– **Act. 5:28/42.**

Jesus is Lord!
