Supernatural Turnaround Testimonies

Career Breakthrough via Kingdom Endeavours!

'In one of the services, Bishop David Oyedepo declared that giants would emerge from this Church by serving God wholeheartedly. I believe and keyed into it with the whole of my being, energy and resources. Then the God of this Commission showed up! One Friday, my MD called for a meeting with all staff, which was unusual, and right at the meeting, he promoted me from a Manager to a General Manager. I jumped the positions of the Senior Manager, AGM levels to beign the General Manager; that is a triple change of level in one day. Meanwhile, I am the youngest Manager in my organisation and I have only spent three years with them. However, there are managers, SMs and AGMs who have spent over ten years in that same organisation. As if that was not enough, he said 2% of

the company bonuses, both abroad and in Nigeria, should be paid to me going forward. This shocked me to my bones as I am the least in the office to receive this honor. Indeed, God does not leave people who advances His kingdom on the same spot. The giant in me is already rising. To God be all the glory!' — *Mary Yamah*

Generational Curse Broken via Encounter!

'My elder brother and I dropped out of the University, where we were studying law. Meanwhile, in my family, no one had a Diploma or University degree. No one ever owned a car or built a house and no marriage ever last long. However, by an encounter with a prophetic blessing from Bishop David Oyedepo, God delivered me from that generational curse. I went back to the same University and graduated. Now, I have my law firm, I own six cars and two houses. To God be the glory!' — *Barrister Glen M.*
