MINISTERING

Supernatural Turnaround Testimonies

Supernatural Turnaround after Contacting this Commission!

'On 3rd February, 2016, I was divinely led to this Church and I told my wife to wait at home while I go to Faith Tabernacle to see what is happening there. As I entered into the Tabernacle through Love Entrance, the Spirit said, "This is the place." Thereafter, in February, I enrolled for a course at the Word of Faith Bible Institute (WOFBI). I also read Bishop David Oyedepo's books, joined the sanctuary keepers unit and engaged in outreaches.

Meanwhile, I was indebted; as a result, I sold my car and had zero amount in my account. For six years, I could not complete the two bedroom flat I was building. However, during one of the services, I heard the Bishop say, "If you desire a testimony, do what they did." I obeyed and today, my debt of eight hundred thousand naira plus has been cleared. I have completed my house and I

now have a car. As if that was not enough, just yesterday evening, my phone rang and I was invited for another contract. To God be all the glory!' — *Ajibola A.*

Supernatural Turnaround after Joining this Commission!

'Before I joined this Commission in 2010, I was in abject poverty and a subject of pity among members of my family in the village. However, while I listened to Bishop David Oyedepo preach on my first day in church, I asked myself, "Where have you been all this while?" Thereafter, I obeyed every instruction from the altar to the letter. Immediately, my turnaround started. That same year, God provided me with a job and a house. I also got married and presently, we have two children. I, who was pitied by the villagers and poorer than the poor, now the landlord of three tenants. Recently, we dedicated our new duplex. To God be the glory!' — *Ejike Osadongo*
