Supernatural Breakthrough Testimonies

13 Years Stagnation Terminated after Joining this Commission!

'I got married in 2001 and while expecting our children, my wife died; I lost everything and life became unbearable for me. However, one day, I heard in my spirit, 'You need to go to a place where the cloud of glory is very thick and the enemy cannot penetrate it'. Then I asked God where that place was and He said, 'The city of David—Canaanland'.

When I came here, my spirit jumped as Bishop David Oyedepo preached. The Holy Spirit opened me up to the teachings and from that day, by engaging every instruction from the altar, my destiny opened up! Everything that hindered me from entering into my dignity was destroyed and my marital dignity was restored. God gave me double honour—a beautiful wife and top executive job in a bank, even though I was a journalist. I give God all the glory!' — Michael O.

Divine Restoration after Joining this Commission!

'Two years ago, my business and life came under severe attack and this affected me seriously. I lost everything in my business and nothing was working. However, I joined this Church for the first time and in that service, Bishop David Oyedepo said, 'There is someone here that came for the first time, if you make this your Church and within one year God did not turn your life around, you can go' and that hit me. It is exactly one year now and my business has been restored. God has blessed my business and I have moved from using ordinary machines to industrial automated machines. Recently, I gave seven people scholarship as a seed. I return all the glory to God!'
