Supernatural Turnaround Testimonies

Supernatural Turnaround after Joining this Commission!

'I joined this Church empty, naked, totally directionless and extremely broke. However, I gave my life to Christ and in that service, Bishop David Oyedepo said, "What your labour of 50 years cannot give you, favour will give you and you will experience it here." Thereafter, I obeyed every instruction from the altar. Lo and behold, from a mere house agent that hardly got deals and could hardly feed, God turned me to a developer. I have three houses of my own, two cars of my own and I have been experiencing fearful financial favour from people I barely know. In fact, I cannot tell it all! God has done for me exactly what Bishop David Oyedepo said the very day I joined this Church. God has taken away my shame

and reproach. I return all the glory to the Him'! — *Kunle Victor*

Business Breakthrough via Prophetic Declaration!

'Before now, my business was in serious debt. However, when I joined this Commission, I trusted God to run the business debt-free because the Commission operates debt-free. During one of the services, Bishop David Oyedepo made declarations; I claimed them and believed that God would take away the huge loan hanging over my business. Lo and behold, God miraculously paid the loan. As if that was not enough, fresh ideas came into the business that turned it 1,000 times higher than what we have ever experienced since the business started. I return all the glory to the God of Bishop David Oyedepo!' — *Oladeji O. B.*
