Supernatural Turnaround Testimonies

Supernatural Turnaround after Joining this Commission!

'I was in a complete state of confusion and was less sure about my future, not knowing where else to turn as every effort known proved abortive. I had lost my health in trying to find meaning to life; I was stagnated in my career and business. Everywhere I went, I faced rejection, failure and all hope was gone. I even contemplated suicide on several occasions as situations became unbearable. Also, anybody I turned to for help quickly got tired because as one problem was solved, another one would show up.

However, I joined this Commission on 7th June and while ministering, it was as if Bishop David Oyedepo knew I was coming. Everything he said pointed at me but then he said that I have come to the city of refuge to take cover for my life and destiny; I believed! Thereafter, I got the exact job of my dream without any application. The job turned my life around entirely, the remuneration is beyond my expectation and the work condition is excellent. In February, the Lord opened his good treasures to me and I was able to resume my academics, which was stagnated for five years. Just as the Bishop would say, I am surer of the future than I am of today. I return all the glory to the God of this Commission, who has finally given me rest round about!'

All Round Rest after Contacting this Commission!

'I am a building contractor and I used to handle millions; but suddenly, things changed and I could no longer handle one thousand naira. I could no longer feed my family and my wife left me, leaving our son with me. Meanwhile, any time I was given the fliers, I tore them and kept saying I needed money. Despite being reluctant, the lady that eventually invited me never gave up on me. One of the days she came to invite me to church, she encouraged me to stay on for three months and if nothing changes in my life, I should stop coming to church. I was shocked at those words, so I decided to follow her to Church. I eventually joined this Commission on 8th March, 2020 and after the teaching, I gave my life to Christ. The following day, on 9th March, 2020, God showed up! I got a daily paid job of three thousand five hundred naira. That same day, while I was still celebrating God, I was called to come for a contract that was taken away from me at the point of completion. On 10th March, 2020, another person called me for a new contract. On Wednesday, 11th March, my brother remembered me. He called to inform me that all arrangements have been made for me to travel abroad. As at the time I was writing this testimony, my human brain was not sufficient to understand this sudden multiple change of levels within a short time. God has taken away my shame and sorrow. I am grateful to the God of Bishop David Oyedepo!'
