

JANUARY 2020

PRAYER AND FASTING GATEWAY TO BREAKING LIMITS

Breaking Limits greetings in the name of Jesus Christ.

We truly serve a God of time and season, who makes all things beautiful in His time. Without any doubt, the year 2019 was an awesome year for us, both as a Church and as individual members, to God be all the glory. But the good news is that, God has reserved better things for us in the year 2020 and we shall not miss it in Jesus name. Amen.

What then is the Holy Ghost saying concerning us in the Winners' Family for the month of January?

We understand that every item in the market is available for purchase and possession, but at a cost.

No matter how much one desires any item, he cannot have it without paying the price for it.

All of our inheritance in Christ is available to whosoever believes, but at a cost – *Act. 20:32/Is. 5:13*

For example, God wants every believer to be healthy, but it is at a cost of feeding on the Word and putting it to work – *3 Jn 3:2/ Pro.4:20-22/ Mat.7:24-25*

Secondly, Christ has given us all things that make for life and godliness, but they are delivered at the cost of obedience of faith – *Deut.28:1-3/2 Pet.1:3/Mat. 9:29*

Even salvation, as free as it is, is only accessible at the cost of repentance – *Rom. 6:23/ Act. 2:37-38*

Surely, nothing of value is ever free; everything of value

carries a definite cost – *Pro. 23:23/ Luk. 6:46*

We also understand that it takes empowerment to operate in the realm of breaking limits, but one cannot be empowered without a commitment to the demand of prayer and fasting – *Psa. 63:1-3/ Jn 7:37-39/ Luk. 11:13*

Furthermore, as we all know, every commandment of scriptures is for our profiting – *2Tim. 3:16-17/ Heb. 4:2*

The following are the benefits that we draw from prayer and fasting as unveiled in – *Isa. 58:6-14*

- Express answers to our prayers – *Isa. 58:9/ Mat. 6:5-7/16-18*
- Empowers us to crush all barriers on our path – *Isa. 58:6/ Mat. 17:19-21*
- Deliverance from all unwanted habits, addictions and all sins that easily beset us – *Isa. 58:6/8/ Heb. 12:1-2/ Mat. 17:20-21*
- Facilitates health and vitality – *Isa. 58:8/ Pro 18:14/ Dan. 11:32*
- Provokes outbreak of revelation – *Isa. 58:8/10/ 2 Cor. 4:4/ Isa. 60:1-3*
- Enhance access to divine guidance – *Isa. 58:11/ Isa. 48:17-21/ Psa. 23:1-6*
- Empowers us for supernatural breakthroughs – *Isa. 58:12/ Luk. 4:14/37*
- Facilitates access to our high places in life – *Isa. 58:6/14/ Mat. 5:13-15/ Psa. 85:5-7. etc., etc.*

All through the month of January, we shall be engaging the mystery of Prayer and Fasting to access new realm of empowerment, that will result in speedy fulfilment of the Breaking Limits Prophetic Agenda for the year 2020.

Therefore, the prophetic focus for the month of January 2020 is:
