Audio Message Stops Robbery Operation!

"On January 4, I boarded a bus from Jos to Delta State at about 7:30 p.m. As we proceeded, I was listening to Shiloh 2009 messages by the bishop. Immediately we got to Lokoja, armed robbers struck and entered into our vehicle. As I tried to switch off the message, the earpiece I was using disconnected from the phone. So, the message was loud enough, as the Bishop was speaking in tongues. One of the robbers asked, 'Who is playing that music?' I replied that it was not music, but a message. He then asked me who was speaking in the message. I told him it was Bishop Oyedepo. Immediately, I heard one of the robbers say that they won't operate again! The gang leader came to me and asked for the message. He took the message from me, and my phone number. A week later, he called me and introduced himself as the robber who took my phone number and Bishop's message. He thanked me for the message, and asked me how he could get more messages. I told him to locate any of our Churches near him, for

more messages. I thank God for delivering me from armed robbers!" — *Sunday, O. S.*

Supernatural Escape!

"During one of Shiloh 2016 Encounter Services, Bishop David Oyedepo declared that nothing dies around us and, in our hands, and I keyed into it. Then, I asked God to make my testimony evident to people around me.

Meanwhile, I got a contract worth 2.5million, the goods were purchased and packed in my shop to be supplied. On Monday, December 12, 2016, around 6am, we were about moving to the site, but there was a divine delay. I didn't know that a diesel tanker fell on the express way, caught fire and all the shops on the road containing goods worth millions of naira got burnt. I want to thank God that my shop and goods were exempted. Surprisingly, the fire jumped my shop and started from the 5th shop. I was accused of protecting my shop with diabolical powers they didn't know that I just came back from Shiloh. I give all the glory to God!" — *God'sLove Justman*
